

- Timeless Beauty, Lasting Protection
- Crafted with natural double-level oak veneer, our dining tables combine warmth, elegance, and durability.
- The advanced water-based cross-linked top coat provides exceptional resistance, withstanding 1-hour alcohol exposure and 24-hour water contact, tested according to EN 12720 standards.
- As with all wood-based dining tables, proper care to prevent scratches, heat damage, and impact from sharp objects will ensure lasting beauty for years to come.
- Available in a range of beautiful color finishes to complement any space and perfectly pair with our Hygge Dining Chairs.
