

NORSIT RECLINERS

NORWEGIAN BRAND

Sit Down, Kick Back & Enjoy Comfort Seating At Its Best!

This classic Norwegian-designed swivel recliner range blends Nordic style with modern comfort. Its clean, sleek lines and softly rounded form create a calm, cozy, and inviting atmosphere - perfect for adding a touch of warmth and relaxation to your living space.

Each recliner is crafted with Scandinavian lamination technology and built around a strong, ergonomically engineered steel frame featuring double-hinged steel springs for exceptional strength, flexibility, and long-lasting comfort. We use Cold-Cure Molded Foam Technology for all our Norsit products.

Comfort Should Never Be One-Size-Fits-All

We believe the perfect chair should feel like it was made just for you. That is why all Norsit models are available in three sizes - Small, Medium, and Large - ensuring an ideal fit for every body type and preference.

Each size differs by 5cm (1.97 in) in width, 2cm (0.8 in) in seat depth, and 2cm (0.8 in) in back and torso support height, ensuring proportional comfort and visual balance.

A subtle 1cm (0.4 in) variation in seat height per size provides optimal ergonomics and posture support. Additionally, seat height can be raised or lowered by 2,5cm (0.98 in) as an optional feature, regardless of size.

These thoughtful variations mean you never have to compromise between design and comfort. For precise measurements of each model, please refer to our technical sheets.

MEDIUM CHAIR:

W : 76 cm / 29,9"
D : 80cm / 31,5"
H : 104cm / 40,9"
SH : 44 cm / 17,3"

Chairs featuring a telescopic headrest and piping or pillowtop include an additional 2 cm (0.8 in) in width and 1 cm (0.4 in) in depth and height.

FOR A RELAXED SEATING EXPERIENCE

EFFORTLESS RECLINING

Our patented reclining glide system provides a smooth and adaptive recline. It is effortless and reclines easily by applying your body weight. **Turn the knob under the seat to adjust the reclining tension.** The chair provides lay-flat recline position like no other in the industry.

EASY 360° SWIVEL

With a smooth 360° swivel you can easily rotate the chair in either direction while seated. The gracefully curved laminated bent wood design provides unsurpassed stability and durability.

DYNAMIC LUMBAR SUPPORT

Anatomically correct shaped interior steel frame with high carbon sinuous springs and a built in dynamic lumbar support system ensure optimal lower back support regardless of reclining position.

HEAD & NECK SUPPORT

An easily adjustable headrest, that provides ultimate support for your neck while reading, watching TV or resting. Some models are also equipped with Telescopic function making it possible to move the headrest up and down.

ADAPTABLE FOOTSTOOL

Practical and very comfortable foot and leg support. The H2 Seating footstools have a built-in function that automatically follows the movement of your legs when reclining, securing the most optimal leg support possible.

COLD-CURE MOLDED FOAM

Sinuous spring suspension Steel tubular frame - A unique technology that ensures comfort, body correct support as well as long term durability.

Find Your Perfect Norsit - Wide Range Available

Norsit offers thoughtfully crafted seating solutions to match your personal taste. From the sleek simplicity of Bravo, to the soft comfort of Magic, to the supportive design of Captain. Each chair reflects a different way to bring comfort and character into your home.

ELEGANT SIMPLICITY

Norsit recliners are where refined design meets everyday comfort. With its beautifully slim lines and sleek silhouette, it brings a sense of elegance to any room. Norsit's minimalist aesthetic allows it to blend seamlessly into a variety of interior styles - perfect for those who appreciate clean, contemporary design.

SUPREME COMFORT

Step up your comfort with a softer version like Norsit Magic. Designed with plush cushioning, it invites you to sink in and relax. Whether you're working long hours or enjoying a quiet moment, these recliners surrounds you with cozy support. It's the ideal choice for those who prioritize both style and a deeper sense of comfort.

ADVANCED COMFORT & ERGONOMICS

COMFORT SINCE 1941

Furniture that provides the best way to
relax, rest and recharge.

H2 Seating is a Norwegian company known for designing and producing innovative and comfortable quality furniture with a heritage dating back to 1941.

From our Norwegian base we are building furniture based on proprietary know-how, expertise and technology that has taken decades to develop, perfect and refine.

The past has brought us a wealth of knowledge.

All our products are designed and developed in Norway and based on unique specialized know-how combined with a passion of creating better tomorrows.

Our pledge to the environment goes through making furniture that spans generations as well as in how we design and manage our operations. When you purchase a product from us, rest assured it will last you a lifetime.

Raw materials are selected with care and sustainable manufacturing processes are embedded into our culture. Enjoy!
