

FURNSIT RECLINERS

NORWEGIAN BRAND

Where Design Meets Pure Comfort

Experience the perfect harmony of form and function with this Norwegian-designed swivel recliner. Defined by clean lines, sculpted angles, and a minimalist silhouette, it embodies the timeless elegance of Scandinavian style.

Thoughtfully engineered for your well-being, this recliner features a patented reclining system that transitions seamlessly from upright to full lay-flat positions. The patented Comfort Tilt function offers a gentle rocking motion, designed to soothe and relax.

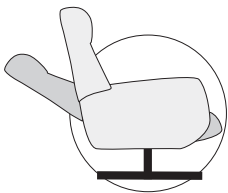

Crafted with Cold-Cure™ Molded Foam, a sinuous spring suspension, and a durable steel tubular frame, it delivers body-responsive support, long-lasting comfort, and uncompromising durability.

Designed for every
posture - Sit, Lean Back,
and Relax Your Way...

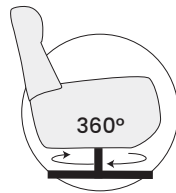

FOR A RELAXED SEATING EXPERIENCE

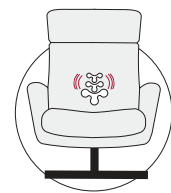

RECLINING

Our patented reclining glide system provides a smooth and effortless recline. Use the knob to adjust the reclining tension. The chair provides lay-flat recline position like no other in the industry.

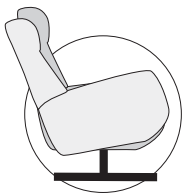

EASY360° SWIVEL

With a smooth 360° swivel you can easily rotate the chair in either direction while seated.

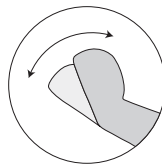

DYNAMIC LUMBAR SUPPORT

Anatomically correct shaped interior steel frame with high carbon sinuous springs and a built in Dynamic Lumbar Support System ensure optimal lower back support regardless of reclining position.

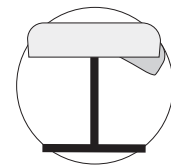

COMFORT TILT

Patented Comfort Tilt mechanism creates a subtle rocking motion that enrich the seating experience.

HEAD & NECK SUPPORT

Easy adjustable headrest function for full support. Some models are also equipped with Telescopic function making it possible to move the headrest up and down.

ADAPTABLE FOOTSTOOL

Practical and very comfortable foot and leg support. The H2 Seating footstools have a built-in function that automatically follows the movement of your legs when reclining, securing the most optimal leg support possible.

A Selection of Furnsit Recliners

What sets them apart is purely a matter of style: the shape of armrest, stitching patterns, and if it has a telescopic neckrest. Whatever your preference, you will enjoy the exact same outstanding comfort and functionality.

*All black bases are available in 3 seat heights. Whether you prefer a lower or higher seat, the height can be adjusted by ± 2 cm (0.8 inches) thanks to our customizable cylinder swivel mechanism.

Comfort Should Never Be One-Size-Fits-All

We believe that the perfect chair should feel like it was made just for you.

That is why our Furnsit models are available in three sizes – Small, Medium, and Large.

Ensuring an ideal fit for different body types and preferences.

WIDTH: Each size differs by 5 cm in width.

SEAT HEIGHT: Subtle adjustments of 1 cm per size provide balanced ergonomics.

These thoughtful variations mean you never have to compromise between design and comfort.

For precise measurements of each model, please refer to our technical sheets.

COMFORT SINCE 1941

Furniture that provides the best way to
relax, rest and recharge.

H2 Seating is a Norwegian company known for designing and producing innovative and comfortable quality furniture with a heritage dating back to 1941.

From our Norwegian base we are building furniture based on proprietary know-how, expertise and technology that has taken decades to develop, perfect and refine.

The past has brought us a wealth of knowledge.

All our products are designed and developed in Norway and based on unique specialized know-how combined with a passion of creating better tomorrows.

Our pledge to the environment goes through making furniture that spans generations as well as in how we design and manage our operations. When you purchase a product from us, rest assured it will last you a lifetime.

Raw materials are selected with care and sustainable manufacturing processes are embedded into our culture. Enjoy!
