Hygge Dining Tables are Designed For A Comfortable Dining Experience For All

Our dining tables are crafted from natural oak veneer, blending warmth, elegance and lasting durability. Each table is finished with an advanced water-based cross-linked top coat, offering outstanding resistance – capable of withstanding up to one hour of alcohol exposure and 24 hours of water contact, as verified by EN 12720 standards.

To maintain their timeless appeal, care should be taken to avoid scratches, heat damage, and impacts from sharp objects.
